

FHA Insured Loans Available for Credit Scores Below 620

Embrace Home Loans is now able to accept and approve FHA insured purchase and refinance home loans for clients with credit scores below 620. Making it easier to get your clients the financing they need to buy or refinance a home.

This is great news for folks who have been turned down recently because of less-than-perfect credit histories. If you're aware of a past client who could benefit from this, feel free to contact us so we can help revive that transaction.

Let us put our experience to work for you and your clients today.
